

Coming Home Middlesex — Data Analyst POC

System Performance & Data Quality POC (Synthetic, calibrated)

- Total clients: 2,495
- Total exits: 2,261
- Permanent housing exits: 855
- Outputs: monthly KPIs, program KPIs, equity cuts, and a data quality watchlist.

Equity view + data quality

System Performance & Data Quality POC (Synthetic, calibrated)

- Equity lens: compare permanent housing outcomes by race/ethnicity and age group.
- Operational lens: prioritize exit interview and income completeness improvements.
- This framework can plug into live HMIS exports for monthly/quarterly reporting.
